**Others:** Adobe Photoshop, Adobe Illustrator, Adobe Premier Pro

## Projects

### Analog Digital Clock

HTML, CSS, JAVASCRIPT

January 2021

- A beautifully designed website in which we can see time from Analog Clock as well as Digital Clock. The great use of CSS made this website very beautiful and attractive. This website is built using HTML, CSS, JavaScript and Bootstrap.
- Website: <http://sadanandkumar.000webhostapp.com/>
